

AI-Anon Family Groups Electronic Meeting Registration/Update Form

The WSO will register an electronic AI-Anon meeting with the understanding that it will abide by the AI-Anon Traditions and that the meeting will be open to anyone who is affected by someone else's drinking.

On-line meetings, telephone meetings, and meetings using other electronic media are registered as Electronic Meetings.

In keeping with Tradition Eleven, the WSO does not register meetings held on any social networking sites.

Please note that due to safety concerns, at this time there are no electronic Alateen meetings other than those administered by the WSO.
