

INSTRUCTIONS FOR PREPARATION OF D6 EXPENSE REIMBURSEMENT VOUCHER

Since most District expenses will be covered by on-line banking, a mailing address must be shown on the reimbursement voucher.

The recommended way to complete this form is to download it, save it to your computer, insert your personal information, and save on your computer as a template for future, repeated use (perhaps call it Expense Template). After filling out your expenses you should then save it again with a unique identifying name. It will then be ready for electronic transmission to the Treasurer. When receipts are required they could be scanned in, or you can take a photo of your receipts. The form and digitized receipts can then be attached to your email to the Treasurer.

The completed voucher is emailed to the D6 Treasurer at treaaafgD6.P61@gmail.com. Upon receipt the Treasurer will disburse the requested funds in a timely fashion.
